

Your vision benefit just became clearer.

OptumHealth Vision is pleased to announce that we now offer the ability to print personalized ID cards from our website. The OptumHealth Vision benefit is still paperless. It is not necessary to have an ID card for service, but we know through member feedback that many members are accustomed to using an ID card, so now an ID card is available for your convenience.

Your ID card will be personalized with your name, member ID, as well as your exam and materials co-pay amounts.

Print your ID card today. It's quick and easy.

HOW TO ACCESS YOUR ONLINE ID CARD:

- 1 – Go to www.myoptumhealthvision.com
- 2 – Log in
- 3 – Click on: "Click Here to Print Vision ID Card"
- 4 – This generates a pdf with your personal benefit information
- 5 – Print. *(It's that easy!)*

The screenshot shows the OptumHealth Vision website. A large 'Draft' watermark is overlaid on the page. The navigation menu includes: Member Login, Provider Locator, Member Logout, My Benefits, In-Network Claims, Out-of-Network Claims, and Out-of-Network Claim Form. A 'Please Note: Member must be eligible at date of service to receive benefit.' message is displayed. The coverage type is 'FAMILY'. A table shows 'Coverage for: TEST MEMBER SMITH' with an 'Eligible for an exam 06/28/2010' date. A 'Click Here to Print Vision ID Card' button is visible, with a '3' in a circle next to it.

SAMPLE PERSONALIZED ID CARD

The sample ID card is divided into two sections. The left section contains the OptumHealth Vision logo and member information: Member Name (Your Name), Member ID (Your Member ID Number), Member Web (www.myoptumhealthvision.com), and Customer Service (1-800-638-3120). The right section is titled 'Vision Care Benefits' and lists Exam Copy (\$10) and Material Copy (\$25). It also includes contact information for submitting out-of-network claims to the OptumHealth Vision Claims Department in Salt Lake City, UT. A 'Note to Providers' section provides contact information for more details. A vertical line with the text 'fold here' is positioned between the two sections.
